WHAT IS CARNE SALADA?

"The "carne salada" is a typical specialty of the Upper Garda area, the basic ingredient is fresh beef which must be cured using various spices. After a long marinating, the carne salada can be tasted both raw - as an appetizer, cut into thin slices, and sprinkled with a drizzle of extra virgin olive oil and a drop of lemon - or cooked, grilled, cut into more slices. 'thick, and accompanied by a side of vegetables"
